

Mahogany Jones Questions Gold In Video With Sean C. Johnson & Young Josh

[youtube id="jXeEfWFTDlE"] Detroit rapper, educator, activist and US Musical Ambassador Mahogany Jones questions materialism with Sean C. Johnson and Young Josh in the video for "Gold." Jones is covered in shimmering gold as various accessories flash across the screen including a gold Jesus piece, gold nuggets, sneakers, a watch and burning cash. "Gold" is from Jones' 2016 [Sugar Water](#) album which she is following up by working on her next full-length with trumpeter Kris Johnson.
