

# Zakee-Snakes

[youtube]QZjWduku2-g[/youtube]

Zakee's "Snakes" from last year's *Assimilations* gets a video. The artist has two EPs completed for release soon. *Love and Sacrifices* will come out in February and an unnamed project with backing band Drug Horse is in production. Each month, ZAKEE will also release a self-produced African compilation, the first of which can be downloaded from the [Okayafrica](#) site.
